All bidders are advised that if a contract is awarded as a result of this solicitation, the successful bidder will be required to complete a Contract Affidavit. A copy of this Affidavit is included for informational purposes in Appendix D. This Affidavit should not be submitted with a bidder’s bid.

2.15 Living Wage Requirements/Affidavit of Agreement

A solicitation for services under a State contract valued at \$100,000 or more may be subject to Title 18, State Finance and Procurement Article, Annotated Code of Maryland. Additional information regarding the State’s wage requirement is contained in this solicitation (see Appendix E, entitled Living Wage Requirements for Service Contracts). If the bidder fails to complete and submit the required documentation under State law, the State may determine a bidder to be not responsible.

Contractors and Subcontractors subject to the Living Wage Law shall pay each covered employee at least \$12.28 per hour, if State contract services valued at 50% or more of the total value of the contract are performed in the Tier 1 Area. If State contract services valued at 50% or more of the total value are performed in the Tier 2 Area, a bidder shall pay each covered employee at least \$9.23 per hour. The specific Living Wage rate is determined by whether a majority of services take place in a Tier 1 Area or Tier 2 Area of the State. The Tier 1 Area includes Montgomery, Prince George’s, Howard, Anne Arundel, and Baltimore Counties, and Baltimore City. The Tier 2 Area includes any county in the State not included in the Tier 1 Area. If the employees who perform the services are

not located in the State, the head of the unit responsible for a State contract pursuant to § 18-102(d) shall assign the tier based upon where the recipients of the services are located.

The contract resulting from this solicitation has been deemed to be a Tier 1 contract.

1. They are not identified on a list created by the Maryland Board of Public Works as a person engaging in investment activities in Iran; and
2. They are not engaging in investment activities in Iran, as defined in the IAI Act.

The current IAI Act list maintained by the Board of Public Works can be found at www.bpw.state.md.us.

2.17 Acceptance of Terms and Conditions

1. By submitting a bid in response to this IFB, the bidder (a) accepts all of the terms and conditions set forth in this IFB, and (b) represents that it is not in arrears in the payment of any obligation due and owing the State or any department or unit thereof, including but not limited to the payment of taxes and employee benefits (the “State Obligations”).
2. If selected for award, the bidder agrees (a) that it will comply with all federal, State and local laws applicable to its activities and obligations under the Contract, (b) that it shall not become in arrears under any State obligation during the term of the Contract, and (c) to all terms and conditions set forth in the Equipment Lease-Purchase Agreement and its Equipment Schedules, including related Attachments and Exhibits (collectively, the “Lease Documentation”), forms of which are included as Appendix H to this IFB.

There will be no changes to the Lease Documentation other than the rates, amounts, and Equipment descriptions. Inclusion of changes to the Lease Documentation as part of a bid proposal may result in rejection of the bid.

2.18 Order of Precedence

The contract between the parties will be embodied in the contract documents which will consist of the following, listed in their order of precedence:

1. the executed Lease Documentation;
2. the IFB; and
3. the Lessor's Bid.

Modifications to the order of precedence provision of this solicitation will not be accepted.

2.19 Payment by Electronic Funds Transfer

By submitting a response to this solicitation, the bidder agrees to accept any payments from the State by electronic funds transfer unless the State Comptroller's Office grants an exemption. The selected bidder shall register using form COT/GAD X-10 Vendor Electronic Funds (EFT) Registration Request Form. Any request for exemption must be submitted to the State Comptroller's Office for approval at the address specified on the COT/GAD X-10 form and must include the business identification information as stated on the form and include the reason for the exemption. The COT/GAD X-10 Vendor Electronic Funds (EFT) Registration Request Form may be downloaded from: www.comp.state.md.us, select "General Accounting Division," then "Electronic Funds Transfer Program", and then "Form X-10."

SECTION III. SCOPE OF SERVICES AND REQUIREMENTS

3.01 General Background

The State of Maryland is a general purpose government providing a wide variety of governmental and enterprise services throughout the State. The State operates, among other activities, colleges and universities, prisons, a highway system, railroads, parks and forests, wildlife preserves, law enforcement programs, environmental protection activities, and regulatory programs.

The State authorizes expenditures either through the annual operating budget or through the capital budget. Much of the capital budget is financed by the State's General Obligation Bonds, which as of July 2012, had the highest rating (AAA) from Moody's Investors Service, Inc., Standard & Poor's, and Fitch Ratings. In addition, a number of Agencies have authority to issue bonds for specific classes of facilities or to provide financing for individuals and businesses.

Most equipment expenditures are financed either on a pay-as-you-go basis or through the bond-financed capital program; however, since about 1986, the State has financed, on a consolidated basis, the acquisition by Agencies of certain equipment under a lease-purchase financing arrangement.

Since the inception of the program, the State has never delayed or cancelled the closing on a lease-purchase financing except for one lease closing that was delayed due to the snowstorms in February 2010. The State has also never failed to make lease payments on any lease-purchase financing.

History of Equipment Lease-Purchase Financings in Maryland

The State has previously financed the following amounts in the Fiscal Years indicated:

FY 2005	-	\$16.7 million
FY 2006	-	\$23.0 million
FY 2007	-	\$51.0 million
FY 2008	-	\$17.3 million
FY 2009	-	\$ 5.9 million
FY 2010	-	\$17.4 million
FY 2011	-	\$ 5.5 million
FY 2012	-	\$ 4.6 million
FY 2013	-	\$ 1.0 million

Because of the extensive amount of lease and bond financing undertaken by the State on an annual basis, this lease-financing is NOT A "BANK QUALIFIED LOAN".

The documentation included as Appendices H and I to this IFB will be used by the State and Agencies in connection with the Lease and is substantially similar to the documentation used by the State in its previous capital equipment lease-purchase financings. There will be no

changes to the documentation included as Appendices H and I for this financing other than the rates, amounts, and Equipment descriptions.

3.02 Financing Terms

1. The Office invites sealed bids for the tax-exempt financing, on a consolidated basis, of equipment in the aggregate principal amount of \$1,055,255.50 (the “Aggregate Principal Amount”), to be amortized semi-annually. The principal must fully amortize with the last payment on January 1, 2016 for the 3-year term and on January 1, 2018 for the 5-year term. As further described in Section 3.03 and Appendix B to this IFB, a bidder shall prepare and submit amortization schedules using the following terms on a tax-exempt basis:

Terms	Equipment to be Financed
Amount – \$362,509.74 Term – 3 Years Interest Only Payment Date – July 1, 2013 Number of Principal and Interest Payments – 5 semi-annual payments on January 1 and July 1 First Principal and Interest Payment Date – January 1, 2014 Final Principal and Interest Payment – January 1, 2016 30/360 Convention	Smart Board, Computer Equipment
Amount – \$642,745.76 Term – 5 Years Interest Only Payment Date – July 1, 2013 Number of Principal and Interest Payments – 9 semi-annual payments on January 1 and July 1 First Principal and Interest Payment Date – January 1, 2014 Final Principal and Interest Payment – January 1, 2018 30/360 Convention	Servers & Hardware, Mass Spectrometer

See Appendix A-1 for a Summary of the Equipment Schedules by Agency, Location, Term, Cost, Equipment Description and Vendor. See Appendix A-2 for a Sample Form of Amortization Schedule.

2. This tax-exempt equipment lease financing is expected to close on March 1, 2013. Prospective bidders must certify on the Bid Form that they are unconditionally and irrevocably committing to provide the Lease financing on the terms described in this IFB and in their bid as provided on Appendix B, if their bid is selected, and that no additional credit committee or other approvals are needed to provide the Lease financing. The Lessee will provide insurance for the Equipment only as described in Section 16 of the Lease.
3. Under the Lease, Lessor will acquire, directly or through a third-party lessor designated by the Lessor and approved by the Office for providing the required financial resources (the

“Lessor’s Designee”), the Equipment, as requested by the Agencies and approved for financing by the Office and the Department of Budget and Management (the “Department”). The Lessor will lease the equipment to the requesting Agencies. The Lease will provide the Lessor or its subsequent assignee the right to Lease payments payable by the State under the Lease.

4. The Lessor shall be required to finance all and not less than all of the Equipment approved for financing by the Office and the Department in accordance with the terms stated in Section 3.02.1 of this IFB.
5. Equipment acquisitions are consolidated to permit a single financing.
6. The Lessor shall provide sufficient funds to pay vendors or reimburse the Agencies on the Funding/Closing Date, and the Lease term shall commence on such date, with Lease payments (the “Lease Payments”) due on the dates specified in Section 3.02.1 of this IFB.
7. The forms attached hereto as Appendix H (collectively, the “Standard Lease Documents”) shall be prepared by the Agencies or the Office and executed in connection with the Lease on the Funding/Closing Date as follows:

The Agencies are responsible for preparing the Acceptance Certificates (Exhibits C to the Equipment Schedules), the Equipment Use Certificates (Exhibits D to the Equipment Schedules), and the Acknowledgement and Certification as to Appropriation (authorizing the transfer of Agency funds to the Office in an amount sufficient to make the lease payments to the Lessor). The Office is responsible for preparing the Equipment Lease-Purchase Agreement (including the summary description of the Equipment on Attachment A thereto), and each Equipment schedule (including the Equipment invoices and location on Exhibit A thereto, and the financing terms and related amortization schedule for each Equipment schedule on Exhibit B thereto) (each, an “Equipment Schedule” and collectively, the “Equipment Schedules”), and the Certificate of the State of Maryland. **There will be no changes to the Standard Lease Documents other than the rates, amounts, and Equipment descriptions.**

8. The Lessor is responsible for preparing the following additional documents (collectively, the “Additional Documents”) in connection with the Lease, which must be in forms reasonably acceptable to the Office:

Certificate of Lessor, certifying Lessor’s acquisition of its interest in the Lease and/or the respective Equipment Schedules, certifying the purchase price including any payments made in respect of accrued interest, acknowledging Section 19 – Assignment of the Equipment Lease-Purchase Agreement, and certifying the fair market value of the Lease and/or the respective Equipment Schedules.

Payment Certificate, certifying the date, amounts, and recipients (e.g., contractors or Agencies being reimbursed) of the payments made by Lessor under the Lease.

Notice of Assignment, in accordance with Section 19 – Assignment of the Equipment Lease-Purchase Agreement, identifying the Lease and/or Equipment Schedules being assigned, if any, the name, address and contact information for the Assignee, if any, the date of the assignment, if any, and the actual consideration paid for the assignment, if any.

9. After the award of the contract under this IFB to the successful bidder, the Office will forward the applicable Standard Lease Documents to the Lessor or Lessor’s designee for signature. On the Funding/Closing Date, all documents will be executed and the Lessor or Lessor’s designee will make payments due directly to the vendors. The Lessor then may file the required documents with the appropriate governmental entity to perfect its security interest.
10. The Office will administer the Lease on behalf of the participating Agencies. The Office and the Department will assure, upon execution of the applicable Standard Lease Documents and Additional Documents, that funds for the Lease Payments during the then-current fiscal year will be encumbered or withheld from the appropriations available to the participating Agency, and will be paid by the Office on behalf of the Lessee by a single payment semi-annually on January 1 and July 1 of each year (the “Payment Dates”) to the Lessor or the Lessor’s assignee (the “Assignee”). The payment will be accomplished by an Electronic Funds Transfer, settling on the payment due date.
11. **Payments of principal and interest shall not be subject to optional prepayment, and will be subject to termination only as set forth in the Lease.**

3.03 Bid Calculations and Basis for Award

Bids shall be submitted using the Bid Form attached as Appendix B. The bidder must propose tax-exempt fixed rates for each term in column (b). See Bid Form (Appendix B) for detailed instructions as to how to calculate the bid.

The winning bid will be awarded to the bidder with the lowest weighted average interest rate.

In addition to the rates, each bidder shall attach an amortization schedule for the amounts and terms specified in Section 3.02.1 of this IFB using their bid rates. See Appendix A-2 for sample amortization schedules and the terms described in detail below:

- The first interest period should be calculated based on the number of days using the 30/360 convention from the financing date March 1, 2013 to July 1, 2013 (120 days).
- Amortization of principal should begin on January 1, 2014. Thereafter, there will be level debt service.

- Debt should fully amortize no later than January 1, 2016 (3-year term) and January 1, 2018 (5-year term)

Bidders are advised that the actual amortization schedules based on the winning bid to be utilized in connection with the Lease will be prepared by the Office, and may differ slightly from the amortization schedules submitted by the winning bidder. To the extent there is a material discrepancy, the Office will notify the winning bidder before finalizing the amortization schedule.

3.04 Process for Determining Payments to the Lessor

Semi-annual payments to the Lessor

The Office will make payments to the Lessor in accordance with the Lessor's bid rates and amortization schedules approved by the Office. The Payment Dates begin on July 1, 2013 and continue on July 1 and January 1 thereafter for the applicable term described in Section 3.02.1 of this IFB. Should a Payment Date not be a banking business day, payment will be due on the next banking business day.

No Other Fees or Payments

Payments to the Lessor will be based solely on the fixed interest rates proposed by the Lessor in column (b) of Appendix B. The Lessee will not pay any breakage fees or other fees or spreads.

3.05 General Terms and Conditions

1. **Optional Prepayment/Termination: There are no provisions for optional prepayment of this Lease, and the Lease is subject to termination only as set forth in the Lease Documentation.**
2. Substitution of Security: The Lessee reserves the right to substitute equipment of equivalent or greater value in any Equipment Schedule.
3. Bond Insurance: The Lessor may not secure bond insurance on the Lease or lease payments or fractionalized interests or participations therein.
4. Ratings: The Lessor may not secure ratings on the Lease or lease payments or fractionalized interests or participations therein.
5. Restriction on Resale: The Lessor, or by acceptance of an assignment agreement from Lessor, the Assignee(s), shall be deemed to certify that:
 - a. The Lessor or the Assignee is purchasing for its own account or, after obtaining the prior written consent of the State as required by Section 19 of the Lease, intends to sell or distribute fractionalized interests or participations in the right to receive lease

payments only to individuals or entities that meet the requirements of subsections (b) and (c), below, and that have no intention of redistributing such interests or participations;

- b. The Lessor or the Assignee has knowledge and experience in financial and business matters that renders it capable of evaluating the merits and risks of the investment in the Lease and has received such information as it has deemed necessary to make such an evaluation;
- c. The Lessor or the Assignee is able to bear the economic risk of investment in the Lease; and
- d. MARCH 2013 EQUIPMENT LEASE-PURCHASE AGREEMENT

THIS EQUIPMENT LEASE-PURCHASE AGREEMENT is dated as of February __, 2013 (the "Lease"), by and between _____, having a principal place of business at _____ (the "Lessor") and the **STATE OF MARYLAND** (the "Lessee" or the "State"), acting by and through the **STATE TREASURER'S OFFICE** (the "Office") acting on behalf of certain departments and units of the State (such departments and units shall be collectively referred to herein as the "Agencies"). The Office has a principal place of business at Louis L. Goldstein Treasury Building, Room 109, 80 Calvert Street, Annapolis, Maryland 21401.

WITNESSETH

WHEREAS, Lessee has determined that a present need exists for the acquisition of certain Equipment (hereinafter defined), and that Lessee is authorized under the Constitution and laws of the State to enter into this Lease for the purposes hereinafter set forth; and

WHEREAS, Lessor has agreed to finance the acquisition of the Equipment and to lease such Equipment to Lessee upon the terms and conditions set forth herein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Lessor and Lessee agree as follows:

1. Agreement to Lease. Upon the terms and conditions contained in (a) this Lease, (b) the Office's Invitation for Bids, IFB # **MAREL-01222013** released on January 22, 2013 (the "IFB"), which is incorporated by reference herein and made a part hereof, and (c) Lessor's Bid Form dated _____, 2013, which is incorporated by reference herein and made a part hereof, Lessor shall provide funds in the aggregate amount of \$_____ ("Amount") to permit Lessee's acquisition of Equipment in accordance with the Lease and Equipment Schedules Nos. 13-03-#01 through 13-03-#03 (each an "Equipment Schedule" and collectively, the "Equipment Schedules") to the Lease, attached hereto, and described summarily on Attachment A hereto. Lessor agrees to lease to Lessee, and Lessee agrees to lease from Lessor for the respective Lease Term (hereinafter defined), the one or more items of Equipment (the "Equipment") described in the applicable Equipment Schedules executed and delivered by Lessor and Lessee in connection herewith.

2. Lease Term. This Lease will become effective upon the execution hereof by Lessee and Lessor as of the date first above written. Lessor's period of performance for providing lease financing under this Lease shall be from February 20, 2013 through March 1, 2013. The term of this Lease (the "Lease Term") with respect to each item of Equipment will commence on the date the Equipment is accepted pursuant to Exhibit C of the respective Equipment Schedule (the "Acceptance Date"), and unless earlier terminated as expressly provided for in this Lease, will continue for the period set forth in the applicable Equipment Schedule. The Lease Term with respect to the Equipment leased under each separate Equipment Schedule will terminate (a) if applicable, upon the purchase of the Equipment by the Lessee; (b) upon payment by Lessee of the Lease Payments

(hereinafter defined) required to be paid by Lessee hereunder with respect to the Equipment; or (c) as otherwise provided in this Lease. Upon termination of the Lease Term as to the Equipment leased under each separate Equipment Schedule as a result of the occurrence of either of the events specified in (a) or (b), above, the Lease will terminate with respect to the Equipment leased under such Equipment Schedule, the security interest, if any, of the Lessor in such Equipment shall terminate, and Lessee will acquire full and unencumbered title to such Equipment free and clear of all liens and encumbrances created by or arising through or under Lessor.

3. Cost of Equipment; Delivery of Equipment; and Payment of Equipment Costs.

- (a) The Agencies on behalf of Lessee have or will enter into certain purchase agreements or purchase orders (the “Purchase Agreements”) with one or more vendors (the “Vendors”) for various items of Equipment to be purchased from the respective Vendors and leased hereunder. Such Purchase Agreements shall provide for the delivery, installation, and purchase of the Equipment. Lessee does hereby assign to Lessor all of Lessee’s rights, but none of its obligations, under the Purchase Agreements, including without limitation, the right to purchase the Equipment in accordance with the terms thereof. When used herein, the term “Equipment Costs” means the net purchase price payable to the respective Vendors under the respective Purchase Agreements, which shall not exceed the amount set forth in the Equipment Schedules of \$_____ in the aggregate, and shall not be payable unless the Equipment on the respective Equipment Schedule has been delivered to the location specified on Exhibit A thereto. Each Equipment Schedule shall represent Equipment Costs of no less than \$10,000, unless authorized by special written exception issued by the Contract Officer.
- (b) Lessor agrees to finance all and not less than all of the Equipment approved for financing by the Office and the Department of Budget and Management (the “Department”) at the terms in the amortization schedule.
- (c) The Purchase Agreements shall provide that the Equipment is to be delivered to Lessee at the location (the “Equipment Location”) specified in the applicable Equipment Schedule. Lessee will accept the Equipment as soon as it has been delivered and is operational, or in the event that the Vendor allows a pre-acceptance test period, as soon as the test period has expired. Lessee will evidence its acceptance of the Equipment by executing and delivering to Lessor an Acceptance Certificate (herein so called), as set forth in the applicable Equipment Schedule.
- (d) Lessor agrees to make moneys available to pay to the Vendors or reimburse the Agencies specified on the Equipment Schedules such Equipment Costs when required and upon execution by the Lessor and Lessee of one or more Equipment Schedules.

4. Lease Payments.

- (a) Subject to Section 5 hereof, Lessee agrees to pay to Lessor or its assignee pursuant to Section 19 hereof the Lease Payments (herein so called) equal to the amounts specified in Exhibits B to the applicable Equipment Schedules. A portion of each semi-annual Lease Payment is paid as, and represents payment of interest, all as set forth in the applicable Equipment Schedules. The Lease Payments will be payable without notice or demand, except for the invoices hereinafter provided, at the office of Lessor (or such other place as Lessor or its assignee may from time to time designate in writing), and will commence on the first Lease Payment due date (the “Due Date”) as set forth in Exhibits B to the applicable Equipment Schedules. Lessor shall prepare and submit to Lessee semi-annual invoices for the Lease Payments reflected on Exhibits B to each Equipment Schedule. Each consolidated invoice submitted for payment shall include on its face the Lessor’s or the Lessor’s assignee’s Federal Tax Identification Number, the Lessor’s complete address, and the date and amount of the total invoice. Consolidated payments will be made within thirty (30) days of receipt by the Office of approved invoices or the invoice due date, whichever is later. The Office may make a consolidated payment of all or any number of Lease Payments due to Lessor (or to the assignee of Lessor to whom such Lease payments are due) on the same date. Any payments received after the Due Date may bear interest from the Due Date in accordance with § 15-104 of the State Finance and Procurement Article, Annotated Code of Maryland. Except as specifically provided in Section 5, Section 26, and Section 27 hereof, Lessee’s obligation to pay the Lease Payments will be absolute and unconditional in all events and, except for the provisions of § 7-222 of the State Finance and Procurement Article, Annotated Code of Maryland, will not be subject to any set-off, defense, abatement, reduction, counterclaim, or recoupment for any reason whatsoever.
- (b) Lessor and Lessee understand and intend that the obligation of Lessee to pay the Lease Payments required hereunder shall constitute a current expense of Lessee, subject to appropriated funds, and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the general tax revenues, funds, or moneys of Lessee beyond those appropriated for the purpose of acquiring the Equipment.
- (c) The Office, the Department through its acknowledgment and acceptance of this Lease, and the Agencies on behalf of Lessee reasonably believe that legally available funds can be obtained sufficient to make all Lease Payments during the Lease Term, and hereby covenant that they will do all things lawfully within their power to obtain, maintain, and pursue funds from which the Lease Payments may be made, including making provision for such payments to the extent necessary in each budget proposed for the purpose of obtaining funding, and that they will use their bona fide best efforts to obtain appropriation of the necessary funds to avoid termination pursuant to

Section 5 hereof by taking all appropriate action to seek adequate budgeted funds to maintain this Lease in force. It is the intent of the Office, the Department and the Agencies on behalf of Lessee to make the Lease Payments for the full Lease Term if funds are legally available therefor, and in that regard, Lessee represents that the use of the Equipment is essential to its proper, efficient, and economic operation.

5. Non-appropriation of Funds; Substitution.

- (a) In the event sufficient funds are not appropriated in any fiscal period for Lease Payments due hereunder, then Lessee will immediately notify the Lessor or its assignee of such occurrence and the Lease Term for the Equipment under an Equipment Schedule for which funds were not appropriated shall terminate on the last day of the fiscal period for which appropriations were authorized, without penalty or expense to Lessee of any kind whatsoever. In the event of such termination, Lessee agrees to peaceably surrender possession of such Equipment to Lessor or its assignee on the date of such termination. Lessor will have all legal and equitable rights and remedies to take possession of such Equipment upon such termination.
- (b) In the event that funds are not appropriated with respect to Equipment under one or more Equipment Schedules or for any other reason whatsoever, with the consent of the Lessor or its assignee with respect to such Equipment Schedule, Lessee shall have the right to substitute therefor other equipment of equivalent value so as to prevent termination of the Lease Term for such Equipment Schedule.

6. Limitation on Warranties.

- (a) Lessee acknowledges and agrees, and shall confirm its acknowledgment and agreement on each Equipment Schedule, that the Equipment is of a size, design, and capacity selected by the Lessee; that Lessee is satisfied that the Equipment is suitable for its purpose; that Lessor is neither a manufacturer nor a vendor of the Equipment; and that LESSOR HAS NOT MADE, AND DOES NOT HEREBY MAKE, ANY REPRESENTATION, WARRANTY, OR COVENANT, EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION, QUALITY, DURABILITY, DESIGN, OPERATION, FITNESS FOR USE, OR SUITABILITY OF THE EQUIPMENT IN ANY RESPECT WHATSOEVER OR IN CONNECTION WITH OR FOR THE PURPOSES AND USES OF LESSEE, OR ANY OTHER REPRESENTATION, WARRANTY, OR COVENANT OF ANY KIND OR CHARACTER, EXPRESS OR IMPLIED, WITH RESPECT THERETO, AND LESSOR SHALL NOT BE OBLIGATED OR LIABLE FOR ANY ACTUAL, INCIDENTAL, CONSEQUENTIAL, OR OTHER DAMAGES OF OR TO LESSEE OR ANY OTHER PERSON OR ENTITY ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF THE EQUIPMENT AND THE MAINTENANCE THEREOF.

- (b) Lessor hereby assigns to Lessee during the Lease Term, so long as no Event of Default (as hereinafter defined) has occurred and is continuing, all manufacturers' warranties, if any, express or implied, with respect to the Equipment, and Lessor authorizes Lessee to obtain the customary services furnished in connection with such warranties at Lessee's expense, and shall cooperate fully with Lessee with respect to the resolution of any claims against such warranties.

7. Representations and Warranties.

- (a) Lessee represents and warrants as of the date hereof, as of the date of acceptance under each Equipment Schedule, and at all times during the respective Lease Term that (i) Lessee is a "state" within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as such; (ii) the execution, delivery, and performance by the Lessee of this Lease, all Equipment Schedules, and all other documents executed in connection herewith by Lessee (all such documents shall be collectively referred to herein as the "Lease Documents"), have been duly authorized by all necessary action on the part of the Lessee; (iii) the Lease documents constitute legal, valid, and binding obligations of the Lessee enforceable in accordance with their respective terms except as may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and by equitable principles, whether considered at law or in equity; (iv) the execution and performance of the Lease Documents will not violate any judgment, order, law, or regulation applicable to Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest, or other encumbrance upon the Equipment (other than as contemplated by this Lease), or any assets of the Lessee pursuant to any indenture, mortgage, deed of trust, bank loan, credit agreement, or other instrument to which Lessee is a party or by which it or its assets may be bound; (v) there are no actions, suits, or proceedings pending or, to the knowledge of the Lessee, threatened against or affecting Lessee in any court or before any governmental commission, board, or authority, which, if adversely determined, will have a material, adverse effect on the ability of Lessee to perform its obligations under the Lease Documents; (vi) no governmental orders, permissions, consents, approvals, or authorizations are required to be obtained, and no registrations or declarations are required to be filed in connection with the execution and delivery of the Lease Documents; (vii) the Equipment is personal property and when used by the State should not be or become fixtures under the laws of the State of Maryland presently in effect; and (viii) no more than 10% of the total use of any portion of the Equipment leased on behalf of any State agency shall be used, on an average yearly basis, directly or indirectly in any trade or business carried on by any person other than Lessee, provided that such private business use, if any, that is not related or disproportionate to the governmental use shall not exceed 5% of the total use of such Equipment on an average yearly basis.

- (b) In connection with each Equipment Schedule and as a condition precedent to the funding thereof by Lessor, Lessee shall deliver to Lessor: (1) an opinion of Lessee's counsel in form and substance reasonably acceptable to Lessor as to the validity of the statements made in subsections (i) through (vi), above; and (2) such other documents and certificates as shall be reasonably requested by the Lessor. In addition, for tax-exempt lease-financings, Lessee shall deliver to Lessor: (3) a certificate of a duly authorized officer of Lessee respecting the validity of the statements made in subsections (vii) and (viii), above; and (4) an opinion of nationally recognized bond counsel in form and substance reasonably acceptable to Lessor as to the excludability from gross income of the interest component of the Lease Payments under the laws of the United States and the State and other related matters.

8. Title. Upon Lessee's acceptance of the Equipment under an Equipment Schedule, title to the Equipment will vest in Lessee; provided, however, that (i) in the event of termination pursuant to Section 5 hereof; or (ii) upon the occurrence of an Event of Default hereunder, as long as such Event of Default is continuing, title to the Equipment will immediately vest in Lessor or the assignee of the Equipment Schedule on which the Equipment is described.

9. Security Interest. In order to secure all of its obligations hereunder, Lessee hereby (i) grants to Lessor a first priority security interest in any and all right, title, and interest of Lessee in: (a) the Equipment, and in all additions, attachments, and accessions thereto and substitutions thereof; and (b) any proceeds (including the Net Proceeds, as defined in Section 16 below, of any commercial insurance policy) of the foregoing; (ii) agrees that this Lease may be filed by Lessor at Lessor's expense as a financing statement evidencing such security interests; and (iii) agrees to execute and deliver all financing statements, certificates of title, and other instruments necessary or appropriate to evidence such security interest.

10. Personal Property. The Equipment is and will remain personal property and will not be deemed to be affixed to, or be a part of, the real estate on which it may be situated notwithstanding that the Equipment or any part thereof may be or hereafter may become in any manner physically affixed or attached to real estate or any building thereon. If requested by Lessor, Lessee will, at Lessee's expense, furnish a landlord or mortgagee waiver with respect to the Equipment.

11. Use; Repairs. Lessee will use the Equipment in a careful manner consistent with the use generally contemplated by the manufacturer of the Equipment and will comply with all laws, ordinances, insurance policies, and regulations relating to, and will pay all valid costs, claims, damages, fees, and charges arising out of, the possession, use, or maintenance of the Equipment. Lessee, at its expense, will keep the Equipment in good repair, ordinary wear and tear excepted, and will furnish all parts, mechanisms, and devices required therefor.

12. Alterations. Lessee will not make any alterations or additions to the Equipment that will result in a reduction in its value without Lessor's prior written consent or unless such alteration or addition may be readily removed without damage to the Equipment.

13. Location; Inspection. The Equipment will not be removed from, or if the Equipment consists of rolling stock, its permanent base will not be changed from, the Equipment Location without Lessor's prior written consent, which consent will not be unreasonably withheld. Lessor will be entitled to enter upon the Equipment Location or during normal business hours to inspect the Equipment or observe its use and operation.

14. Liens and Taxes. Lessee shall keep the Equipment free and clear of all levies, liens, and encumbrances except those created under this Lease. The parties contemplate that the Equipment will be used for a governmental purpose of Lessee and that the Equipment will be exempt from all taxes presently assessed and levied with respect to personal property. In the event that the use, possession, or acquisition of the Equipment is found to be subject to taxation, Lessee shall pay when due during the Lease Term, to the extent of available appropriated funds, all charges and taxes (local, State, and federal), that now or hereafter may be imposed upon the ownership, leasing, rental, sale, purchase, possession, or use of the Equipment, excluding, however, all local, federal and State taxes on or measured by Lessor's or its assignee's income. If Lessee fails to pay said charges and taxes when due, and after delivery of written notice to Lessee, Lessor shall have the right, but shall not be obligated, to pay said charges and taxes. If Lessor pays any charges or taxes for which Lessee is liable under this Lease, Lessee shall reimburse Lessor therefor, subject only to the availability of appropriated funds.

15. Risk of Loss; Damage, Destruction, and Condemnation; Use of Net Proceeds.

- (a) Lessee assumes all risk of loss of, or damage to, the Equipment from any cause whatsoever, and no such loss of, or damage to, the Equipment, defect therein, or unfitness or obsolescence thereof shall relieve Lessee of its obligation to make Lease Payments or to perform any other obligation hereunder.
- (b) If, prior to the termination of the Lease Term, (i) the Equipment or any portion thereof is destroyed (in whole or in part) or is damaged by fire or other casualty; or (ii) title to, or the temporary use of, the Equipment or any part thereof or the estate of Lessee or Lessor in the Equipment or any part thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm, or corporation acting under governmental authority; or (iii) for any other reason, the Equipment or any portion thereof is no longer in the possession and control of Lessee; Lessee shall, at its option, repair, restore, or replace the affected Equipment with equipment of equivalent value, or purchase the affected Equipment on the Due Date (as set forth in the applicable Equipment Schedule) next succeeding the date of such loss at the Principal Outstanding amount applicable on such Due Date, plus the Lease Payment due on such date, plus any past due amounts then payable by Lessee hereunder with respect to such items of Equipment. Upon any such payment, the Lease Term with respect to such items of Equipment shall terminate, and Lessee will acquire full and unencumbered title to such items of Equipment. Within forty-five (45) days of the happening of any of the events described in clauses (i), (ii), and (iii) of the first sentence of this paragraph, Lessee shall give notice to Lessor and any assignee

with respect to such Equipment of such event and how Lessee proposes to comply with the provisions of the first sentence of this paragraph.

- (c) If appropriated funds are not available to permit Lessee to repair, restore, replace, or purchase such Equipment in accordance with subsection (b) hereof, Lessee shall cause the Net Proceeds, as defined in Section 16 hereof, of any commercial insurance claim or condemnation award to be applied to the payment of Lessee's obligations under this Lease. Any portion of the Net Proceeds in excess of the amount required to pay in full Lessee's obligations as set forth in this subsection shall be for the account of Lessee. Lessee agrees that if the Net Proceeds are insufficient to pay in full Lessee's obligations hereunder, Lessee shall, to the extent of appropriated funds, make such payments to the extent of any deficiency.

16. Insurance. At its own expense, subject to appropriated funds, Lessee shall self-insure, or at its option, commercially insure, the Equipment against loss or damage for not less than the full replacement value of the Equipment. In the event of a covered loss, commercial insurance typically includes the costs of removal of debris and installation of the replacement equipment. In the event that the Equipment suffering a covered loss or damage is not repaired, restored, replaced, or purchased pursuant to Section 15 hereof, the Net Proceeds of commercial insurance, if any, shall be applied as provided in Section 15 hereof. As used herein, "Net Proceeds" means the amount remaining from the gross proceeds of any commercial insurance claim or condemnation award after deduction of expenses (including attorneys' fees) incurred in the collection of such claim or award. At the request of Lessor, Lessee shall provide written evidence of insurance.

17. Indemnification. To the extent allowed by applicable law and subject to available appropriations, Lessee shall indemnify Lessor against, and hold Lessor harmless from, any and all claims, actions, proceedings, expenses, damages, or liabilities, including attorneys' fees and court costs, arising in connection with the Equipment, including, but not limited to, its selection, purchase, delivery, possession, use, operation, rejection, or return, and the recovery of claims under insurance policies thereon, unless any such action is based upon the negligence, illegal act, breach of duty, or intentional tort committed by the Lessor.

18. Reserved.

19. Assignment.

- (a) Without Lessor's prior written consent, Lessee will neither (i) assign, transfer, pledge, hypothecate, grant any security interest in, or otherwise dispose of this Lease, any Equipment, or any interest in this Lease or the Equipment; nor (ii) sublet or lend the Equipment.
- (b) Lessor may assign, in whole, or in part, its rights, title, and interest in and to this Lease, including all Equipment Schedules, the Equipment, and any other documents executed with respect to this Lease, grant or assign a security interest in this Lease and

the Equipment after giving prior written notice to the Office. Any assignment in part may be only with respect to one or more Equipment Schedules and not to any portion of a single Equipment Schedule. Any such assignee shall have all of the rights but none of the obligations of Lessor under this Lease other than the obligation to provide funds to Lessee in the aggregate amount specified on the Equipment Schedule assigned to such assignee as contemplated hereunder. Subject to the preceding sentence, the term Lessor as used herein shall include any such assignees. Subject to the foregoing, this Lease and the Equipment Schedules shall inure to the benefit of, and be binding upon, the successors and assigns of the parties hereto. Before assignment of any portion of Lessor's interest in this Lease, Lessor will cause written notice of such assignment to be sent to Lessee which will be sufficient if it discloses the name of the assignee and the address to which further payments hereunder should be made. No further action will be required by Lessor or by Lessee to evidence the assignment of rights hereunder, but Lessee will acknowledge any such permitted assignment in writing if so requested. Lessee shall retain notice of such assignment and maintain a record that identifies the owners of Lessor's interest in this Lease. Upon Lessee's receipt of written notice of Lessor's assignment of any portion of its interest in this Lease, Lessee agrees to attorn to and recognize such assignee as the owner of such portion of Lessor's interest in this Lease, and Lessee thereafter shall make such payments, including without limitation, such Lease Payments as are indicated in the notice of assignment, directly to such assignee; provided, however, that any such permitted assignment of a right to receive payment hereunder shall be accomplished in accordance with Lessee's instructions, if any, regarding invoicing or other processing of Lease Payments.

- (c) Lessor or its assignees may not sell or distribute, in fractionalized interests or participations, its interest in its rights to receive payment of the aggregate amount of all Equipment Schedules for any given draw hereunder without the prior written consent of the Lessee. The Lessor shall not sell Certificates of Participation in connection with this Lease. If Lessee gives its consent to such sale or distribution of such fractionalized interests or participations, Lessor or its assignee (i) shall limit the number of holders of such interests or participations to thirty-five (35) or fewer "sophisticated investors" (as that term has been used with respect to Rule 506(b)(2)(ii) of the Securities Act of 1933, as amended); (ii) shall issue any such interest or participation in the amount of \$100,000 or more; (iii) shall maintain, on behalf of the Lessee, registration books or a book entry system with respect to the ownership and transfer of such participations or interests that complies with the requirements of Section 149(a) of the Code; (iv) shall not establish any such participations or interests in a manner that would cause interest payments on this Lease received by owners of such participations or interests to be includable in gross income for federal income tax purposes; and (v) shall provide the Office's legal counsel with a copy of all offering materials thirty (30) days prior to the time any such interests or participations are offered for sale or distribution. Lessor (i) shall be solely responsible for the allocation of payments received from Lessee in accordance with subsection (b) hereof among any

such participants as their interests may appear; and (ii) shall be solely responsible for the costs and other financial or other liabilities attendant to the establishment, maintenance, and operation of the aforesaid registration books or book entry system. Lessee shall be given notice of the establishment of any such registration books or book entry system and a full written explanation of how such books or system works, including the right to inspect the same during normal business hours, or, if Lessor is not conveniently located for such inspection, Lessee shall be furnished, upon request, with photocopies of such books and records and/or book entry system. The foregoing to the contrary notwithstanding, Lessee may, at its option and expense, appoint another agent to establish, maintain, and operate the registration books or book entry system contemplated hereunder.

- (d) Lessor acknowledges and agrees that no offering document, prospectus, offering circular or other disclosure document has been or will be prepared in connection with this Lease and that Lessor was afforded the opportunity to examine information and documents and to make inquiries relating to this Lease and the matters contained herein and has received and reviewed all information it deemed necessary to make an investment decision with respect to this Lease.

20. Events of Default. With respect to each Equipment Schedule, an Event of Default (herein so called) shall occur upon the happening of an event hereinafter described, but in the case of events described in paragraphs (b) and (c) below, only if the Lessor shall have given the Office thirty (30) days' prior written notice of the default, unless the Lessor and Lessee shall agree to an extension of such time prior to its expiration:

- (a) Lessee fails to make any Lease Payment as it becomes due in accordance with the terms of this Lease and the respective Equipment Schedule (except as such failure results from nonappropriation by the Lessee of funds for such purposes);
- (b) Lessee fails to perform or observe any other covenant, condition, or agreement to be performed or observed by it hereunder or under the respective Equipment Schedule; or
- (c) the discovery by Lessor that any statement, representation, or warranty made by Lessee in this Lease or in any writing delivered by Lessee pursuant hereto or in connection herewith was false, misleading, or erroneous in any material respect at the time such statement, representation, or warranty was made.

21. Remedies. Upon the occurrence of an Event of Default, and as long as such Event of Default is continuing, Lessor, at its option, may declare this Lease to be in default by written notice to such effect to the Office, and thereafter Lessor may exercise any one or more of the following remedies:

- (a) by written notice to Lessee, declare an amount equal to all amounts then due or to become due during the then current fiscal year of Lessee under this Lease and the

Equipment Schedules to which the Event of Default applies to be immediately due and payable, whereupon the same shall become immediately due and payable;

- (b) request Lessee to (and Lessee agrees that it will), promptly return the Equipment described on the Equipment Schedules to which the Event of Default applies to Lessor, and Lessor may enter upon the premises where such Equipment is located and take immediate possession of and remove all or any portion of the same;
- (c) sell or lease the Equipment or sublease it for the account of Lessee holding Lessee liable, only for the fiscal year for which appropriated funds are available and only to the extent of those appropriated funds, for all Lease Payments and other payments due on or before the effective date of such selling, leasing, or subleasing, and for the difference between the purchase price, rental, and other amounts paid by the purchaser, lessee, or sublessee pursuant to such sale, lease, or sublease and the amount payable by Lessee hereunder; and
- (d) exercise any other right, remedy, or privilege that may be available to it under applicable laws of the State of Maryland or any other applicable law, or proceed by appropriate legal action to enforce the terms of this Lease or to recover damages for the breach of this Lease, or to rescind this Lease as to the Equipment.

Any assignee of Lessor shall only have the right to declare the Lease in default and exercise the remedies described in paragraphs (a) through (d) above to the extent of the Equipment Schedules which Lessor has assigned to such assignee and the Lease Payments and Equipment described thereon.

In addition, Lessee will remain liable, to the extent permitted by law and to the extent of then currently available appropriated funds, for all covenants and indemnities under this Lease and for all reasonable legal fees and other costs and expenses, including court costs, incurred by Lessor with respect to the enforcement of any of the remedies listed above or any other remedy available to Lessor. No remedy herein conferred upon or reserved to Lessor is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease or now or hereafter existing at law or in equity. Lessor's remedies hereunder may be exercised separately with respect to items of Equipment. No delay or omission to exercise any right or power accruing upon the occurrence of any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

22. Lessor's Right To Perform for Lessee. Except as provided in Sections 5, 26 and 27, if Lessee fails to perform or comply with any of its covenants contained herein, Lessor shall have the right, but shall not be obligated, to effect such performance or compliance, and the amount of any out-of-pocket expenses or other reasonable expenses of Lessor incurred in connection with the performance of, or compliance with, such covenant, together with interest thereon at the lesser of (i) the highest lawful rate permitted by applicable State law on the date of payment by Lessor; or (ii) the

same rate on the underlying Lease Payments shall be payable by Lessee to the extent of then currently available appropriated funds, upon demand. Lessee shall execute, endorse, and deliver to Lessor any conveyance, assignment, or other instrument in writing as may be required to vest in Lessor any right, title, or power that by the terms hereof is intended to be conveyed or conferred upon Lessor, including without limitation, (a) Uniform Commercial Code Financing Statements (including continuation statements); (b) documents and checks or drafts relating to or received in payment for any loss or damage on the insurance required hereunder, but only to the extent that same relates to the Equipment; and (c) at such time of default or nonappropriation, upon any bill of sale, document, instrument, invoice, freight bill, bill of lading, or similar document relating to the Equipment in order to vest title in Lessor and to transfer possession to Lessor within ten (10) days upon receipt of same.

23. Quiet Enjoyment of Equipment. Lessor hereby covenants to provide to Lessee during the term of this Lease quiet use and enjoyment of the Equipment and Lessee shall during the term of this Lease peaceably and quietly have and hold and enjoy the Equipment without suit, trouble, or hindrance from Lessor except upon the occurrence of an Event of Default.

24. Delivery of Related Documents. Lessee will execute or provide, as requested by Lessor, such other documents and information as are reasonably necessary with respect to the transactions contemplated by this Lease. At the request of the Lessor, Lessee will furnish current financial statements of Lessee within thirty (30) days after the date such statements become available to the public. During the Lease Term and upon annual request of the Lessor, Lessee will provide to Lessor the applicable budget, or relevant portions thereof at Lessee's election, with proof of appropriation for the ensuing fiscal year, and such other financial information relating to the ability of Lessee to continue this Lease as reasonably may be requested by Lessor.

25. Lessee's Covenants. Lessee specifically covenants that it shall comply with the provisions of the Code, including, without limitation, compliance with any provisions of such law regarding the timing of the expenditure of the proceeds of this Lease, the use of such proceeds, the restriction of investment yields, the filing of information with the Internal Revenue Service, and the rebate of certain earnings resulting from the investment of the proceeds of this Lease. Lessee further covenants that it shall make such use of the proceeds of this Lease, regulate the investment of the proceeds thereof, make required rebate payments and take such other and further actions as may be required to maintain exclusion from gross income for federal tax purposes of the interest portion of the Lease Payments. The Lessee shall provide such certification of facts and estimates regarding the amount and use of the proceeds of this Lease as may be necessary or appropriate from time to time to comply with, or to evidence Lessee's compliance with, the covenants set forth in this Section.

26. Termination for Cause. If Lessor (a) fails to fulfill its obligation under this Lease to provide funds sufficient to pay the Equipment Costs as described in Section 3 hereof properly and on time, Lessee may terminate this Lease with respect to any Equipment Schedule for which Lessor has failed to fulfill such payment obligation by written notice to Lessor; or (b) otherwise violates any provision of the Lease, Lessee may terminate this Lease by written notice to Lessor; provided, however, that clauses (a) and (b) shall not be deemed to permit termination by Lessee with respect to Lease Terms for existing, previously financed Equipment Schedules. The notice shall specify the acts or

omissions relied upon as cause for termination. Lessor shall pay Lessee the actual amount of damages caused by Lessor's breach. Lessor will remain liable after termination and Lessee can affirmatively collect damages.

27. Termination for Convenience. The performance of this Lease may be terminated by Lessee in accordance with this Section, in whole or in part, whenever the Lessee shall determine that such termination is in the best interest of Lessee; provided, however, that this clause shall not be deemed to permit termination by Lessee of any Lease Term of existing Equipment Schedules.

28. Contingent Fee Prohibition. Lessor warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee or agent working for Lessor, to solicit or secure this Lease, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee or agent, any fee or other consideration contingent on the making of this Lease.

29. Financial Disclosure. Lessor shall comply with the provisions of § 13-221, State Finance and Procurement Article, Annotated Code of Maryland, as from time to time amended, which requires that every business that enters into contracts, leases, or other agreements with the Lessee or its agencies during a calendar year under which it is to receive in the aggregate \$100,000 or more, shall, within 30 days of the time when the aggregate value of these contracts, leases, or other agreements reaches \$100,000, file with the Secretary of State of Maryland certain specified information to include disclosure of beneficial ownership of the business.

30. Political Contribution Disclosure. The Lessor shall comply with § 14-101 through § 14-108, Election Law Article, Annotated Code of Maryland, which require that every person that enters into contracts, leases, or other agreements with the State, a county, or an incorporated municipality, or their agencies, during a calendar year in which the person receives in the aggregate \$100,000 or more, shall file with the State Board of Elections a statement disclosing contributions in excess of \$500 made during the reporting period to a candidate for elective office in any primary or general election. The statement shall be filed with the State Board of Elections: (1) before a purchase or execution of a lease or contract by the State, a county, an incorporated municipality, or their agencies, and shall cover the preceding two calendar years; and (2) if the contribution is made after the execution of a lease or contract, then twice a year, throughout the contract term, on: (a) February 5, to cover the 6-month period ending January 31; and (b) August 5, to cover the 6-month period ending July 31.

31. Retention of Records. If requested by Lessee, Lessor shall deliver to the Lessee background material prepared or obtained by Lessor incident to the performance of this Lease. "Background Material" shall include, but not be limited to, work papers, notes, completed questionnaires, other printed materials, pamphlets, maps, drawings, and books acquired by Lessor during the term of this Lease and directly related to the services provided under this Lease. Any proprietary computer programs of Lessor are expressly excluded from the definition of "Background Material" as used in this Section. Lessor shall maintain records and documents relating to the performance of this Lease for three years following final payment under any Lease Term or any applicable statute of

limitations, whichever is longer, and shall make such records available for inspection and audit by the authorized representatives of Lessee.

32. Nondiscrimination in Employment. The Lessor agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, national origin, ancestry or disability of a qualified individual with a disability; (b) to include a provision similar to that contained in subsection (a) above, in any subcontract except a subcontract for standard commercial supplies or raw materials; and (c) to post and to cause subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this Section.

33. Commercial Nondiscrimination Clause

- (a) As a condition of entering into this Lease, Lessor represents and warrants that it will comply with the State's Commercial Nondiscrimination Policy, as described under Title 19, State Finance and Procurement Article, Annotated Code of Maryland. As part of such compliance, Lessor may not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Lessor retaliate against any person for reporting instances of such discrimination. Lessor shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not prohibit or limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the marketplace. Lessor understands that a material violation of this clause shall be considered a material breach of this Lease and may result in termination of this Lease, disqualification of Lessor from participating in State contracts, or other sanctions. This Section is not enforceable by or for the benefit of, and creates no obligation to, any third party.
- (b) As a condition of entering into this Lease, upon the Maryland Human Relations Commission's request, and only after the filing of a complaint against Lessor under Title 19, State Finance and Procurement Article, Annotated Code of Maryland, as amended from time to time, Lessor agrees to provide within 60 days after the request a complete list of the names of all subcontractors, vendors, and suppliers that Lessor has used in the past 4 years on any of its contracts that were undertaken within the state of Maryland, including the total dollar amount paid by Lessor on each subcontract or supply contract. Lessor further agrees to cooperate in any investigation conducted by the State pursuant to the State's Commercial Nondiscrimination Policy as set forth under Title 19, State Finance and Procurement Article, Annotated Code of Maryland, and to provide any documents relevant to any investigation that is requested by the State. Lessor understands that violation of this clause is a material breach of this Lease and may result in contract termination, disqualification by the State from participating in State contracts, and other sanctions.

34. Non-Hiring of Employees. No employee of the State of Maryland or any unit thereof, whose duties as such employee include matters relating to or affecting the subject matter of this Contract, shall, while so employed, become or be an employee of the party or parties hereby contracting with the State of Maryland or any unit thereof.

35. Compliance with Laws. Lessor hereby represents and warrants that

- (a) it is qualified to do business in the State of Maryland and that it will take such action as, from time to time, may be necessary to remain so qualified;
- (b) it is not in arrears with respect to the payment of any moneys due and owing the State of Maryland, or any department or unit thereof, including, but not limited to, the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Lease;
- (c) it shall comply with all federal, State, and local laws applicable to its activities and obligations under this Lease; and
- (d) it shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Lease.

36. Living Wage Requirements. A solicitation for services under a State contract valued at \$100,000 or more may be subject to Title 18, State Finance and Procurement Article, Annotated Code of Maryland.

In making this certification, I have relied upon the representations of the appropriate official or officials of the Department of Budget and Management (the "Department") and the Agencies, and I am personally aware of no fact or other matter that would make my reliance upon the representations of the Department or the Agencies unreasonable.

APPENDIX I

Date

Ladies & Gentlemen:

I have examined an original of a State of Maryland _____ Tax-Exempt Equipment Lease-Purchase Agreement dated as of _____ (the "Lease"), between the State of Maryland ("Lessee"), and _____ ("Lessor"), Equipment Schedules No. _____ dated _____, 2013, and certain other documents executed by Lessee in connection with the Lease (the Lease, the Equipment Schedules, and such other documents are collectively referred to herein as the "Lease Documents").

Based upon such examination and upon such other examination of law and fact as I have deemed necessary or appropriate for purposes of the opinions set forth below, and assuming due execution, as appropriate, of the Lease Documents by Lessor, I am of the opinion, that:

1. Lessee is a "State" within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended;
2. Lessee has full legal right, power and authority to authorize, enter into, execute and deliver the Lease Documents and to perform its duties, covenants, obligations and agreements thereunder;
3. Execution and delivery of the Lease Documents by the State Treasurer and Lessee's performance of the Lease Documents in accordance with their terms have been duly authorized by all necessary action on the part of Lessee and the State Treasurer;
4. The Lease Documents are legal, valid, and binding deferred payment obligations of Lessee enforceable against Lessee in accordance with their terms except as such enforceability may be limited by nonappropriation of funds or by applicable bankruptcy, insolvency, moratorium, reorganization, or similar laws from time to time in effect and equitable principles. In the event Lessor obtains a judgment against Lessee for money damages as a result of an event of default under the Lease, Lessee would be obligated to pay such judgment subject to any budget and appropriation limitations imposed pursuant to Article III, § 52 of the Constitution of Maryland and its implementing statutes;

5. The execution and performance of the Lease Documents does not, to my knowledge, violate any judgment, order, law, or regulation applicable to Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest, or other encumbrance upon, the Equipment (other than as contemplated by the Lease), or any assets of Lessee pursuant to any indenture, mortgage, deed of trust, bank loan, credit agreement, or other instrument to which Lessee is a party or by which it or its assets may be bound;

6. To the best of my knowledge, there are no actions or proceedings pending or threatened against or affecting Lessee in any court or before any governmental commission, board, or authority, which, if adversely determined, would have a material, adverse effect upon the ability of Lessee to perform its obligations under the Lease Documents;

7. To my knowledge, no further governmental orders, permission, consents, approvals, or authorizations are required to be obtained, and no registrations or declarations are required to be filed in connection with the execution and delivery of the Lease Documents; and

8. To the best of my knowledge, Lessee has complied with all requirements applicable to any of the Lease Documents under the State Finance and Procurement Article of the Annotated Code of Maryland.

This opinion may be relied upon by Lessor's permitted successors and/or assigns as if addressed to them. The opinions given herein: (a) shall not create any attorney-client relationship with any party other than the Lessee; (b) shall not create a duty to supplement or amend or modify opinions given herein; (c) shall be limited to those expressly stated herein; and (d) shall be limited to the facts, laws, and regulations in existence and known and contemplated at the time this opinion is given. This opinion may be relied upon by special tax counsel retained by the State to render an opinion with respect to the federal income tax consequences of this transaction. Except as expressly provided herein, however, I express no opinion as to any Federal or State tax or securities law matters.

Sincerely,

Counsel to the Treasurer
