

COLLATERAL SECURITY AGREEMENT

THIS COLLATERAL SECURITY AGREEMENT (the "Agreement") is made and entered into as of _____ by and between the Maryland State Treasurer's Office, on behalf of the _____ (the "_____") hereinafter called the "Depositor", and _____ [a national banking association, organized under the laws of the United States] or [organized under the laws of Maryland] and authorized by law to do banking business in the State of Maryland, hereinafter called the "bank."

Background

The Depositor, in accordance with Maryland State law, has designated the Bank as a depository for public funds of the Depositor under the Banking Services for the _____ Contract dated _____, 20___. During the term of this Agreement, the Depositor will designate the officer, or officers, who singly or jointly will be authorized to represent and act on behalf of the Depositor in any and all matters of every kind arising under this Agreement. This Agreement incorporates the terms of the Contract by reference for all purposes; however, to the extent that any provision in the Contract conflicts with any provision in this Agreement, this Agreement will control. All funds on deposit with the Bank to the credit of the Depositor are required to be secured by collateral of the kind and character permitted by §6-202 of the State Finance and Procurement Article of the Annotated Code of Maryland, as may be amended from time to time ("SFP §6-202").

Under §6-209 of the State Finance and Procurement Article of the Annotated Code of Maryland, as may be amended from time to time ("SFP §6-209"), only certain collateral pledged by the Bank is required to be held by a custodian. For purposes of this Agreement, permissible collateral under SFP §6-202 shall be referred to as "Collateral" and any Collateral that is required to be held by a custodian under SFP §6-209 shall be referred to as "Securities Collateral."

To perfect the security interest of the Depositor in Securities Collateral pledged by the Bank, a Federal Reserve Bank or a third party financial institution, acceptable to the Depositor, will hold the Securities Collateral in a custody account for the benefit of the Depositor. For purposes of this Agreement, such Federal Reserve Bank or third party financial institution shall be referred to as the "Trustee."

In consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, it is agreed as follows:

1. Under the terms of this Agreement, the Bank pledges to the Depositor, and grants to the Depositor a security interest in, the Securities Collateral owned by the Bank and held by the Trustee for the benefit of the Depositor, to secure the deposits held by the Bank for the Depositor as provided in SFP §6-209.

2. The total market value of the Securities Collateral held by the Trustee (which includes accrued interest or income to the extent it is not included in the market price) will be in an amount at least equal to such amount as is required under SFP §6-209, taking into account any other acceptable Collateral properly delivered to the Depositor. The market value of any security held as Securities Collateral will be obtained from a primary dealer. The Bank will provide a monthly collateral report to the Depositor at no charge. The report includes the market value and description of each item of Collateral pledged as of the last business day of the month.
3. The Bank has previously or will immediately deliver to the Trustee Securities Collateral of the kind and character permitted by SFP §6-202 of sufficient amount and market value to provide adequate collateral under SFP §6-209, taking into consideration any other acceptable Collateral properly delivered to the Depositor, for the funds of the Depositor deposited with the Bank. For so long as the depository relationship between the Depositor and the Bank shall exist hereunder, the Securities Collateral or substitute Securities Collateral, as provided for below, in an amount and market value sufficient to provide adequate Collateral, taking into consideration any other acceptable Collateral properly delivered to the Depositor, shall be kept and retained by the Trustee in trust.
4. The Bank shall cause the Trustee to accept the Securities Collateral and hold the same in trust for the purpose stated in this Agreement.
5. Should the Bank fail at any time to pay and satisfy, when due, any check, draft, voucher or electronic fund transfer lawfully drawn against any deposit, or in any manner breaches its contract with the Depositor, Depositor shall give written notice of such failure or breach to the Bank, and the Bank shall have forty-eight (48) hours to cure such failure or breach. In the event the Bank shall fail to cure such failure or breach within forty-eight (48) hours, it shall be the duty of the Trustee, upon demand of the Depositor (supported by proper evidence of any of the above-listed circumstances), to surrender the Securities Collateral to the Depositor. In the event that bank is deemed insolvent or is in receivership, , it shall be the duty of the Trustee, upon demand of the Depositor to surrender the Securities Collateral to the Depositor. The Depositor may sell all or any part of the Securities Collateral and out of the proceeds of such sale pay the Depositor all damages and losses sustained by it, together with all expenses of any and every kind incurred by it on account of such failure or insolvency, or sale. Following any sale, the Depositor shall provide an accounting to the Bank for the remainder, if any, of the proceeds or Collateral remaining unsold.
6. Any sale of all or part of the Securities Collateral, made by the Depositor under this Agreement may be either at public or private sale.
7. If the Bank shall desire to sell or otherwise dispose of all or part of the Securities Collateral deposited with the Trustee, it may substitute other Securities Collateral

of at least the same market value. Alternatively, the Bank may substitute other acceptable Collateral properly delivered to the Depositor in an amount equal to the market value of the Securities Collateral to be sold or otherwise disposed of. Such rights of substitution shall remain in full force and may be exercised by the Bank as often as it may desire; provided, however, that the aggregate market value of all Collateral pledged to the Depositor, shall be at least equal to the amount of Collateral required under SFP §6-209. If at any time, the aggregate market value of Securities Collateral deposited with the Trustee, taken together with any other acceptable Collateral properly delivered to the Depositor, is less than the total amount required under SFP §6-209, the Bank shall, upon request of the Depositor, deposit with the Trustee such additional Securities Collateral as may be necessary to cause the market value of such Securities Collateral, taken together with any other acceptable Collateral properly delivered to the Depositor, to equal the total amount of required Collateral. The Bank shall be entitled to income on securities held by the Trustee, and the Trustee may dispose of such income as directed by the Bank without approval of the Depositor.

8. The Bank shall cause the Trustee promptly to forward to the Depositor copies of safekeeping or trust receipts and/or activity reports covering all of the Collateral, including substitute Collateral as provided for herein.
9. If at any time the Securities Collateral in the hands of the Trustee shall have a market value, taking into account any other acceptable Collateral properly delivered to the Depositor, that exceeds the required amount of Securities Collateral, the Depositor shall authorize the withdrawal of a specified amount of Securities Collateral, and the Trustee may deliver this amount of Securities Collateral (and no more) to the Bank. Once the Bank receives the redelivered Securities Collateral, the Trustee shall have no further liability for such Securities Collateral.
10. The Depositor shall have the right to terminate this Agreement by advance written notice to the Bank of its election to do so. Termination of this Agreement shall be effective sixty days after the receipt of such notice, provided all provisions of this Agreement have been fulfilled, or upon the date of the last act required by this Agreement, whichever is later.
11. When the depositor-bank relationship ceases to exist between the Depositor and the Bank, and when the Bank has properly paid out all deposits of the Depositor, the Depositor shall give the Trustee written notice to that effect and the Trustee shall, with the approval of the Depositor, redeliver to the Bank all Securities Collateral then in its possession belonging to the Bank.
12. A. Any notice required to be given to the Bank in writing shall be sufficient if delivered to the following address:

The Bank may change the above address by notifying the Depositor by facsimile or by such other means as is consistent with the Bank's usual means of notification to the Depositor.
